

2230.01 Response Activities at State-owned Sites of Environmental Contamination

Issued January 1, 1994

SUBJECT: Response Activities at State-owned Sites of Environmental Contamination.

APPLICATION: Executive Branch Departments and Sub-units.

PURPOSE: To provide for appropriate response activities regarding a release or threat of a release of hazardous substances that pose a danger to the public health, safety or welfare, or to the environment of this State.

CONTACT AGENCY: Department of Natural Resources (DNR)-Environmental Response Division/District Offices.

TELEPHONE: 517/373-9837

FAX: 517/373-2637

SUMMARY: Agencies with facilities where there is a release or threat of release of hazardous substances are required to take a variety of actions to protect public health, safety or welfare, and the environment of the State of Michigan. Because the needed activities will vary, depending on the nature of the hazard, the DNR is to coordinate all response activities required under Act 307 of 1982, as amended, at sites of environmental contamination.

APPLICABLE FORMS: None.

PROCEDURES: Contact the appropriate DNR Environmental Response Division district office.
